- Children who are between 2 and 4 years of age by October 15 of the current year will be enrolled in the Preschool program.
- Transfer between classroom/programs during the school year (September-June) is rare. Transfers will be considered on a case-by-case basis and **depend on space availability**, current classroom makeup, and the child's development level.
- We maintain an open enrollment policy throughout the year; if a spot becomes available during the school year, parents on a wait list will be notified.
- Applications are not carried over from year to year. If your family declines a spot for the current year, re-application for the following school year in September is required.
- Families enrolling more than one child will receive a 5% discount in tuition for the child(ren) with the lowest total contracted tuition.
- Tuition deposits are non-refundable after May 1, 2022. Before May 1, 2022, deposits may be refunded excluding a \$125 administrative fee. All refund requests must be placed in writing.
- Medical forms and immunization records must be complete and current within 30 days of the start of school.
